Carry 2 Go

Light-weight top-loading carrying case with modern optics

This modern top-loading carrying case offers more than just room for your Notebook! Your mobile office as well as your documents are easily stored in the workstation and in other compartments! In the separate, cushioned interior compartment your Notebook is perfectly protected from shocks and jolts. The modern design is enhanced by the material mix made of durable nylon and microfibre. Carry 2 Go is equipped with a removable shoulder strap that can be easily adjusted to required length.
